Our Classroom Standards:

AP$^{®}$ Computer Science, Fall 2011, Period: 2

What do they mean to us?

Respect: respect and encourage fellow students, yourself, and the teacher, allowing us to benefit from all our contributions.

- Don't interrupt others
- Don't weird out others
- Respect yourself
- Respect our computers, don't abuse them

Safety: always act safely, follow safety procedures, and help others to act the safest; the limb you save may be your own.

- Don't download things from untrusted sources

Learning: participate in the learning process by listening to, suggesting and trying out new ideas.

- Take work seriously and do your best effort

Teamwork: assist other by sharing your skills cooperatively to help everyone succeed.

- Listen to your team member ideas before proceeding
- Be involved
