

## **Our Classroom Standards:**

Exploring Computer Science, Fall 2011, Period: 3

### **What do they mean to us?**

**Respect:** respect and encourage fellow students, yourself, and the teacher, allowing us to benefit from all our contributions.

- Be supportive of everyone
- Respect yourself
- Be friendly
- Compliment someone before being critical

**Safety:** always act safely, follow safety procedures, and help others to act the safest; the limb you save may be your own.

- Read instructions (twice) before starting
- No malicious pranks – especially trip wires
- Behave safely online

**Learning:** participate in the learning process by listening to, suggesting and trying out new ideas.

- Put in all of our ideas together – Brainstorming getting everyone's ideas
- Feedback on our exercises
- Don't be afraid to make mistakes
- Ask questions

**Teamwork:** assist other by sharing your skills cooperatively to help everyone succeed.

- Put all of our ideas together by Brainstorming - getting everyone's ideas
- Be polite
