Microsoft Builder Boot Camp

Microsoft Game, Resume and Website Innovation!

Do you want to meet the innovators who worked on Xbox 360, Windows 8, and Bing? Do you want to meet students from all over the Puget Sound? Do you want to learn some basic technical skills that will help you find a fun summer job and get into college?

This 3 day event will help you figure out what you want to do and learn about some of the many careers that are available in the technology field; a field with high salaries, flexible schedules, and filled with opportunities to be creative and make a difference!

Requirements to Apply:

- Be a high school junior or senior in the Puget Sound area (at the time of application)
- Have a demonstrated interest in technology
- Know how to e-mail and use Microsoft Office Word
- Have a basic grasp of HTML, Visual Basic, or other programming language (preferred but not required)

How to Apply:

- Go to **http://aka.ms/university/highschool** to learn more and send in your application by **March 11, 2013** to:

  Microsoft University Recruiting
  ATTN: High School Internship Program
  One Microsoft Way - Building 111
  Redmond, WA 98052

All candidates who meet the program criteria may apply. We especially encourage applications from groups currently underrepresented in the field of computer science— women, minorities (African American, American Indian, Hispanic), and individuals with disabilities.

What will you do?
