Student App Day
At Rainier Beach High School
Thursday, May 23rd, 2013 8am – 2:25pm, a full day for students, just before Memorial day break.

Please share these details with your parents/guardians before signing the attached permission slip:
- This is an exciting full day event. Most students will be learning to use TouchDevelopment. You will get to work with Microsoft volunteers and UW computer science students. Pizza lunch will be provided as well as prizes and other goodies. Full details are at: www.AppDay.org The event is sponsored by TEALS, Microsoft Research, BAM, and UW DawgBytes.
- Before attending, you must:
1. Pick up a permission slip from Mr. Bergquist (Room 115a)
2. Provide me with your email, experience level (likely Apprentice), if you have a Metro Card, and what device you can brining (none – I can reserve one for you, iPad/Tablet, Smart Phone, or Laptop w/ Chrome), more details below and at www.AppDay.org .
3. **Return a fully signed permission slip by end of day Monday May 20th** (so I can insure chaperone arrangements).
4. **You must register on www.AppDay.org for the event** (link on page is: http://bit.ly/TQbynh)
   For teacher details use: Earl Bergquist, embergquist@seattleschools.org , 206-252-2424 .
5. Please set up your device beforehand (if you are brining one):
   a. You will need a valid account with either Google or Microsoft (LiveID or Hotmail)
   b. Test your device compatibility: Browse to https://www.touchdevelop.com/app . TouchDevelop will automatically detect if the device is compatible or what to do to make it work. If TouchDevelop successfully loads, the device is ready for AppDay. TouchDevelop will continue to work even when offline.
   c. If you have any trouble with this, check with Mr. Bergquist in advance for some guidance.
- Departure: we will be meeting out front Garfield at 8am, preferably a bit earlier, and you will be assigned to a chaperone's group, then go down to Martin L King Jr Way & E Cherry St to take the #8 route Metro bus down to Rainier Beach High School via the Seward Park Ave S & S Fisher Pl stop.
- Return: we will again be using the #8 route Metro, which will hopefully get most students back before 2:30pm. We will do our best to get students on the earlier bus, but since we are dependent on public transportation, we could incur unforeseen delays.

Bus Details: we will be using the #8 route Metro Bus
