

Imagine Cup 

Microsoft's Annual & Incredible Student Technology Competition

Garfield High School
July 29, 2016

You're Invited!

Join the Championships & Robo World Cup Hackathon!

When: Friday, July 29, 9am – 2pm

Where: Quincy Jones Performance Center, GHS

With: Principal Howard and Special Guests

Watch as students from all over the world demo games and apps they've built in a live competition!

Build a robot and compete for prizes! Join the 3 hour Hackathon at 10:00 in the gym.

If your robot scores the most soccer goals, you could win a **Xbox One** or **HP Spectre Laptop!**

Tasty lunch will be served, and we'll have **donuts** in the morning before the show, too!
